

# **When I Am Baptized**

## **Baptism Stories**

Ask the Primary kids ahead of time, or during singing time, to share about their baptism. You can ask how they felt, who came, if there was anything special that happened on their baptism day, or simply what they remember from the day.

For Junior Primary, ask a couple of Senior Primary kids ahead of time to come in as a special visitor and share their baptism stories, or prepare them ahead of time and share them on the bulletin board.

Review and sing When I Am Baptized song with this sing & stand game. You can cut these out as strips and let the kids draw them randomly, or just simply go in order.
