

Search, Ponder and Pray

Melody Chart

How to Use this Melody Chart:

You can fold down the bottom row of words or leave them visible.

Ask the children to see if they notice any patterns as you sing through the song. Sing the first verse together.

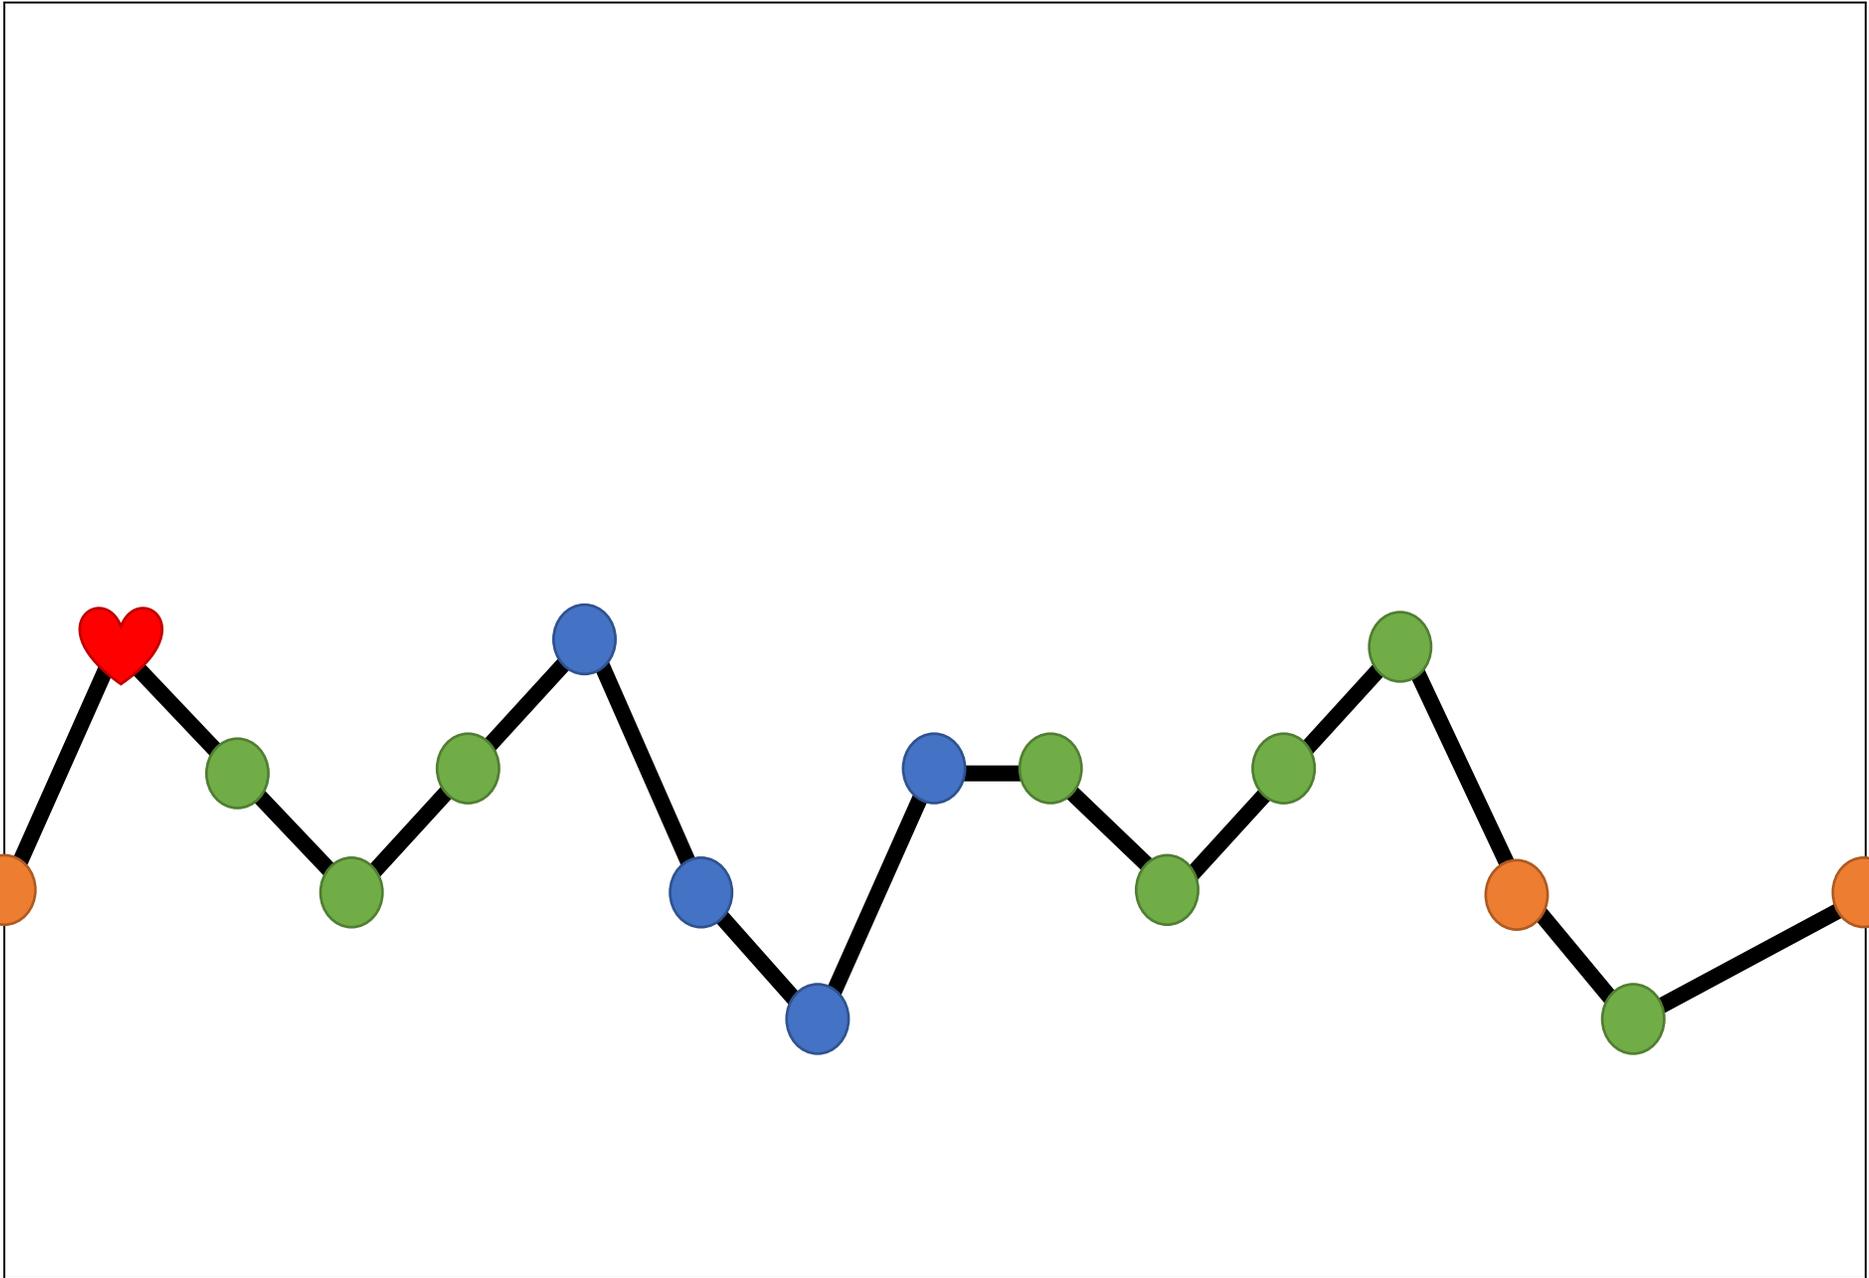

See what they noticed. When they suggest things, such as “I noticed the Hearts” ask what they think the hearts represent. Sing through the verse noticing all the hearts and what words they might stand for.

- Point out that ponder is something we do in our hearts and our minds.
- Ask the children if they think the word “testimony” should be blue like the scriptures. Why or why not?

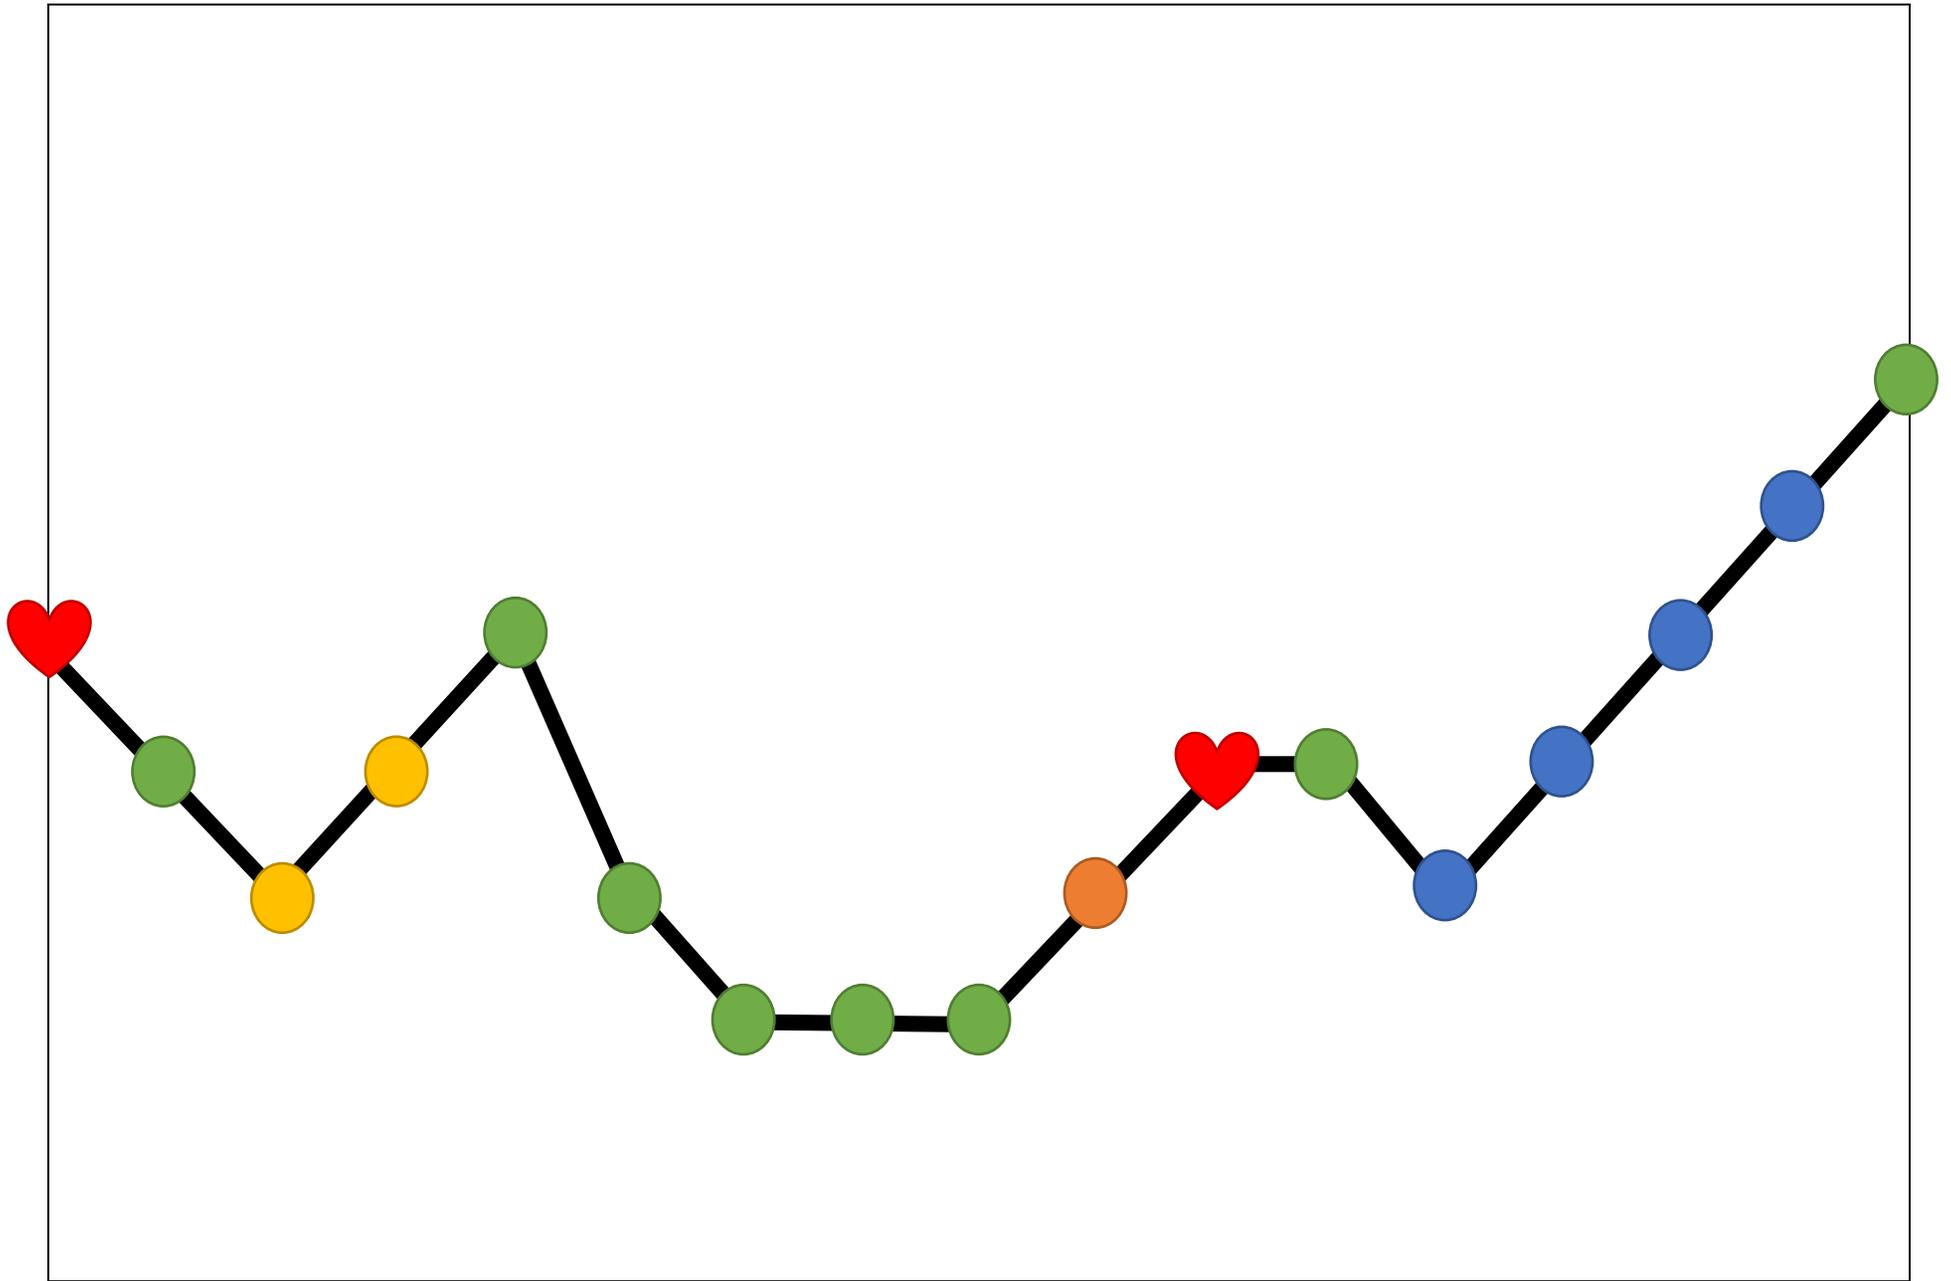

After going through some of the different colors, you can then tell them to sing ONLY the green circles, or ONLY the colored circles.

Key/Guide to the Melody Chart:

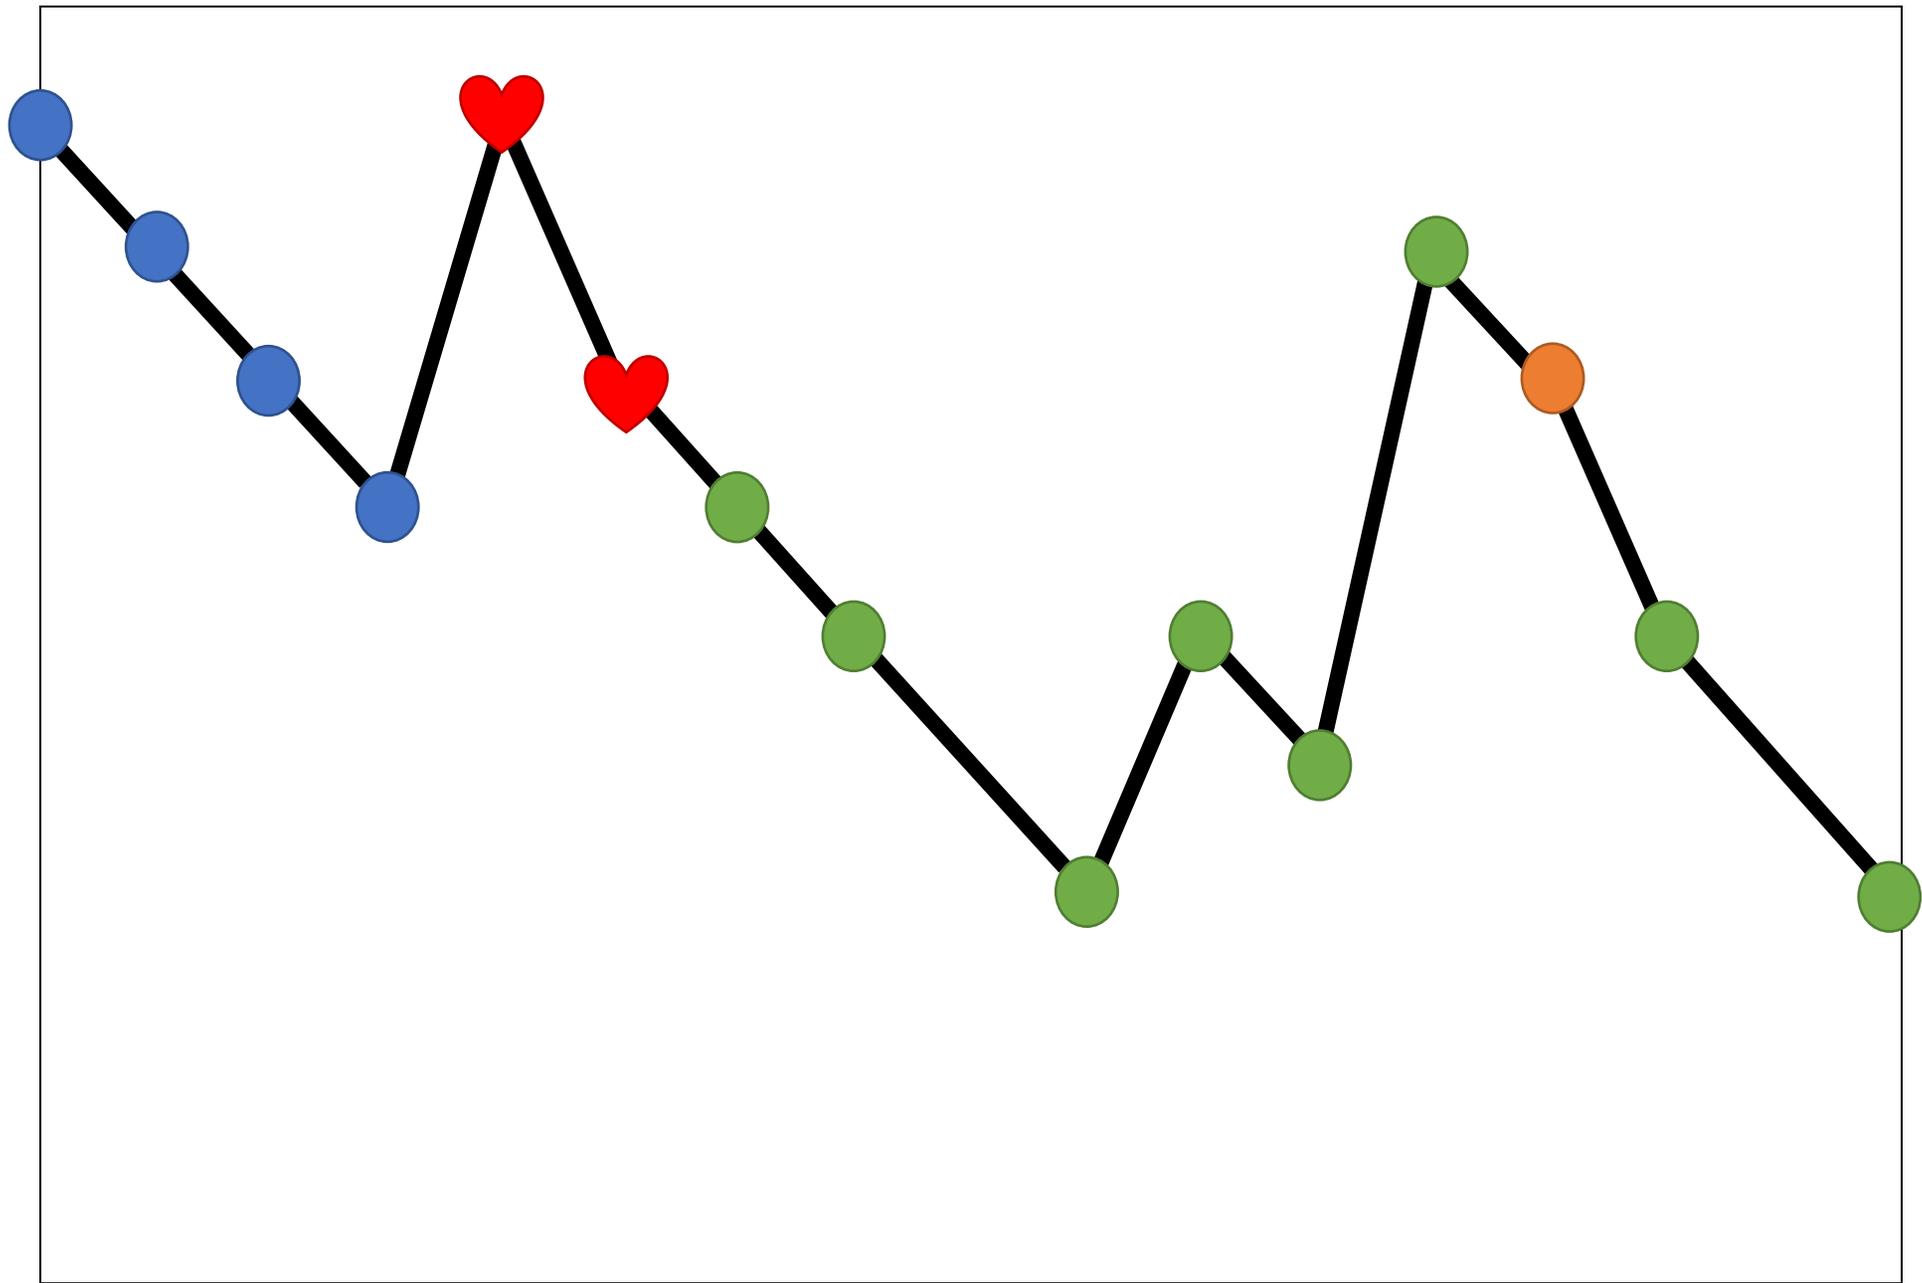

- **Red Hearts** = Our hearts, emotions and feelings (Love, Feel, Heart, ponder, deep inside).
- **Orange** = Ourselves, when we are talking about us! (I, My, I'll)
- **Blue** = Truth / Scriptures (Holy Scriptures, testimony, they're and search – both references to the scriptures, Scriptures).
- **Yellow** = Spirit

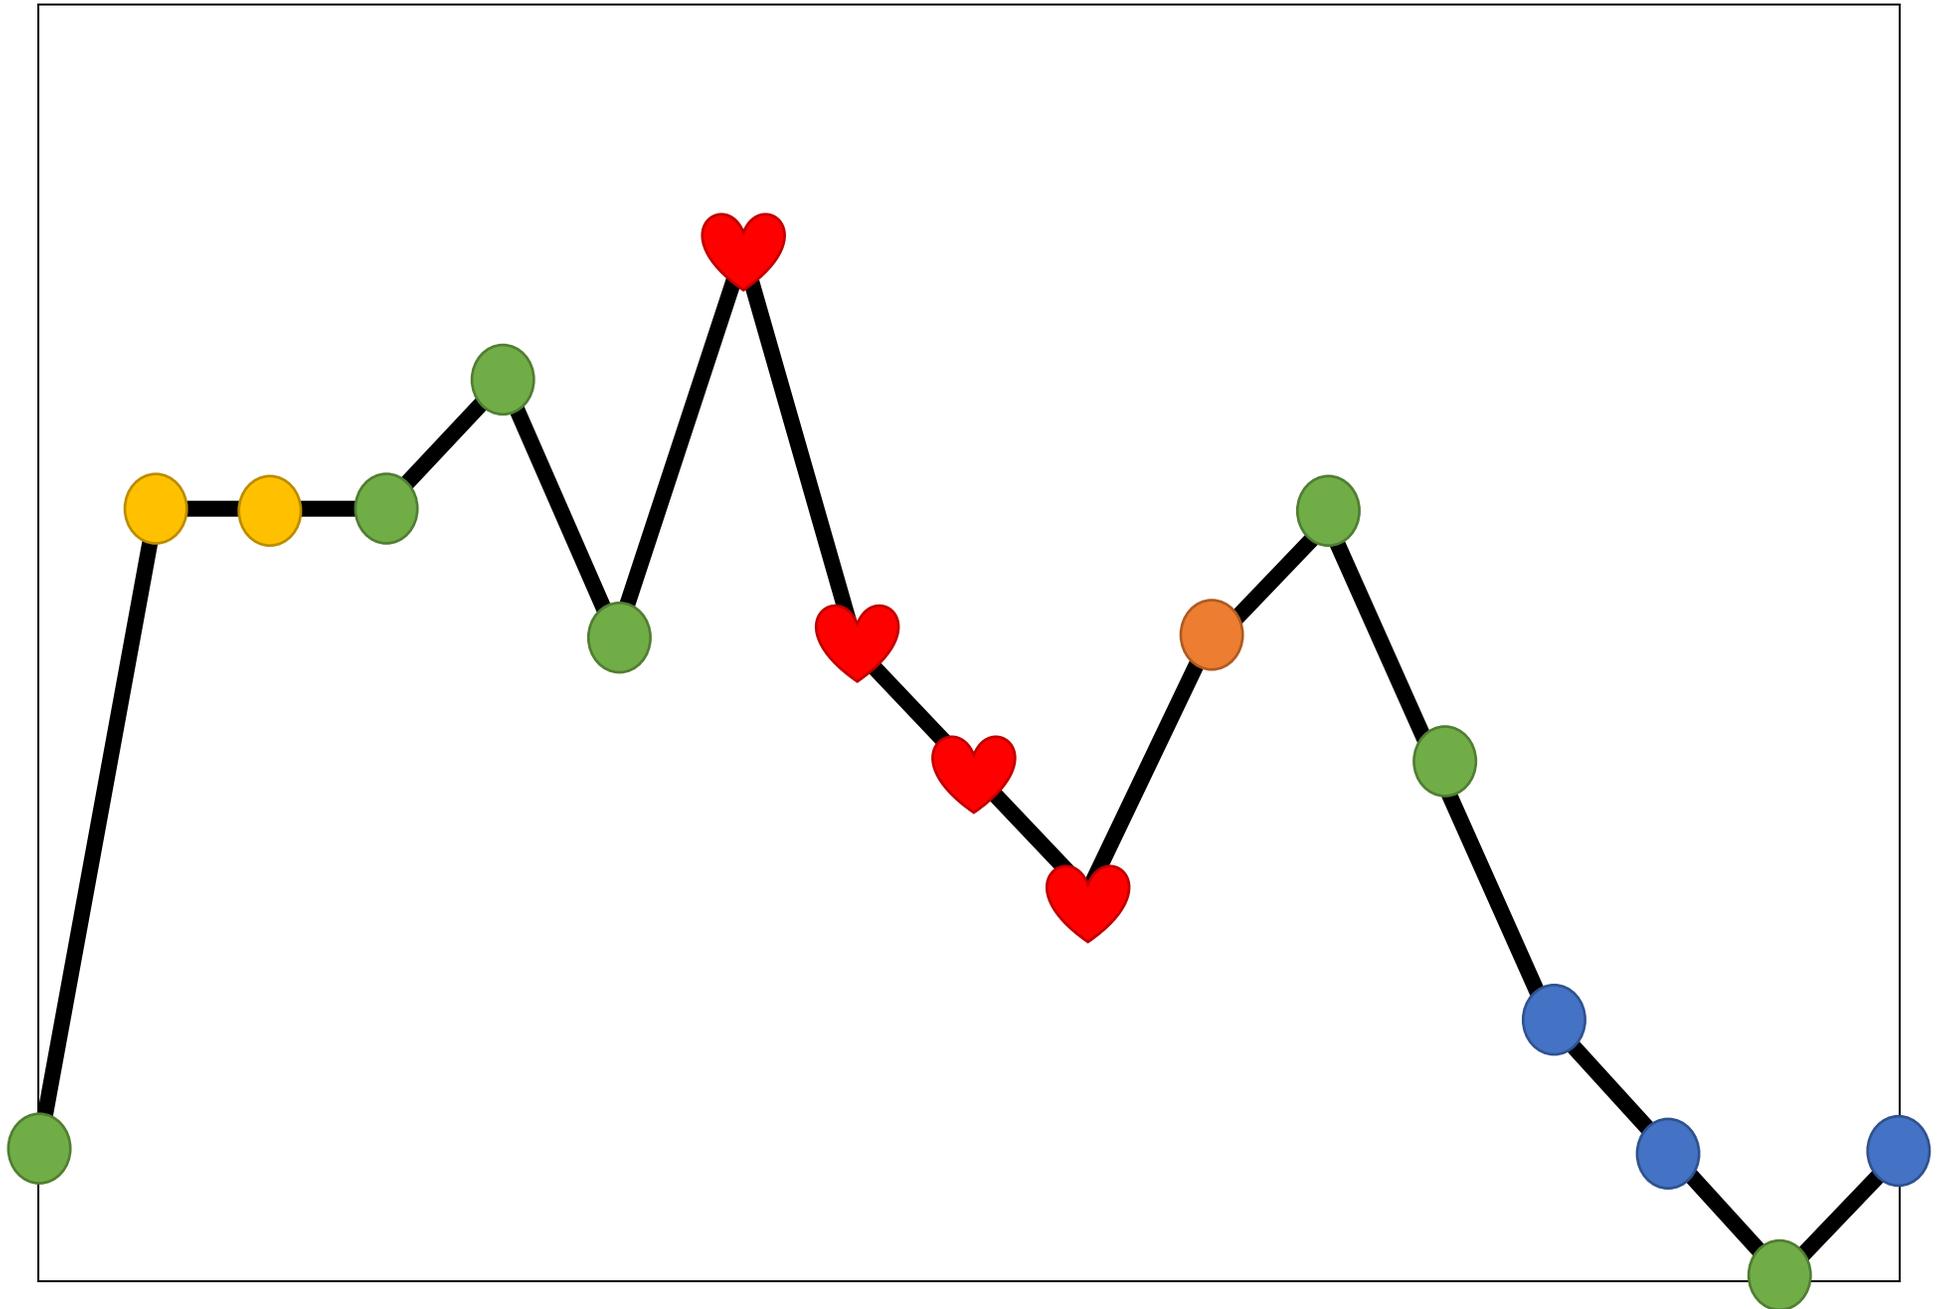

I Love to read the holy scriptures and ev'ry time I do, I

feel the Spirit start to grow within my heart a testimony that

they're true. Search, ponder, and pray are the things that I must do.

The Spirit will guide and deep inside I'll know the scriptures are true.
