

# Search, Ponder and Pray

## Word Search

### How to Play this Word Search Game:

- Sing Search, Ponder, and Pray together.
- Post the word search, and ask the children if they can find one of the keywords from the song in the word search. In Junior Primary, if they need help, sing the first phrase and add extra emphasis on the keywords, then ask them to look for the hidden words singing it more than once, if necessary.

*"I LOVE to READ the holy SCRIPTURES..."*

- I'd recommend just hunting for the simple hidden words in Junior Primary and hunt for the whole list in Senior Primary including the words that are backwards and on an angle!
- Sing through the song again after each time you find a new hidden word.

### Extension Activities:

- Skip singing the keywords you've found using silent singing.
- Add a simple action in place of the hidden words, such as a clap, snap, dab, stomp, or whatever the children choose! You might just stick with one or two actions so it is not overly complicated.
- Compete with one side of the room singing the keywords and the other side singing all the non keywords throughout the song.
