

Stars and Stripes - Review Game

Preparation:

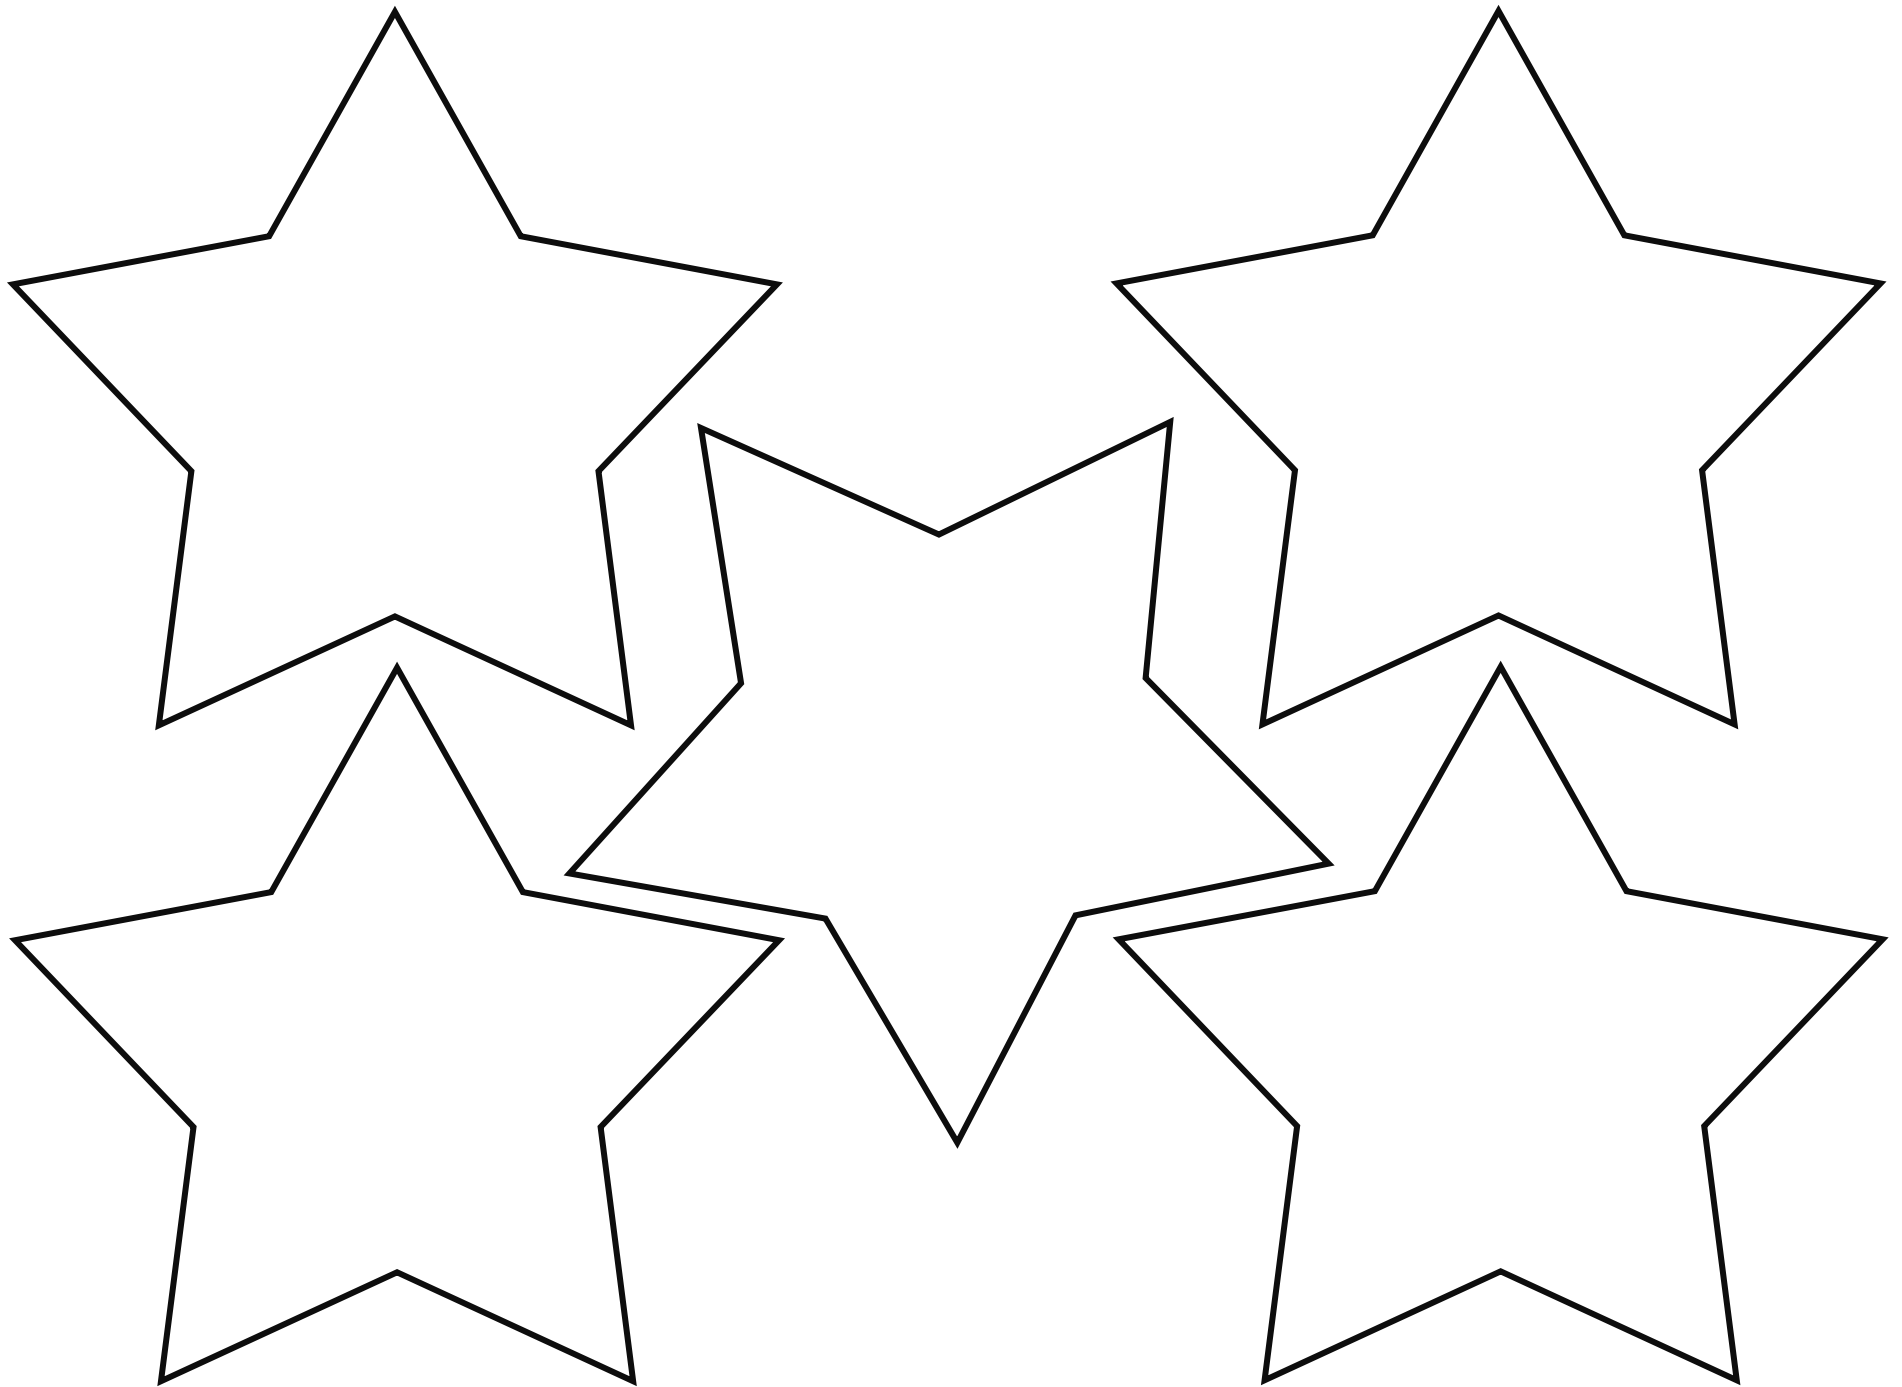

- Print page 2 and 3 on Blue Cardstock, then cut out the stars.
- Print page 4 and/or 5 on Red Cardstock, then cut out the stripes. You can mix and match the stripes from these two pages, but you'll want to include 7 Red Stripes.
- Print page 6 and/or 7 on White Cardstock, then cut out the stripes. You can mix and match the stripes from these two pages, but you'll want to include 6 white Stripes.

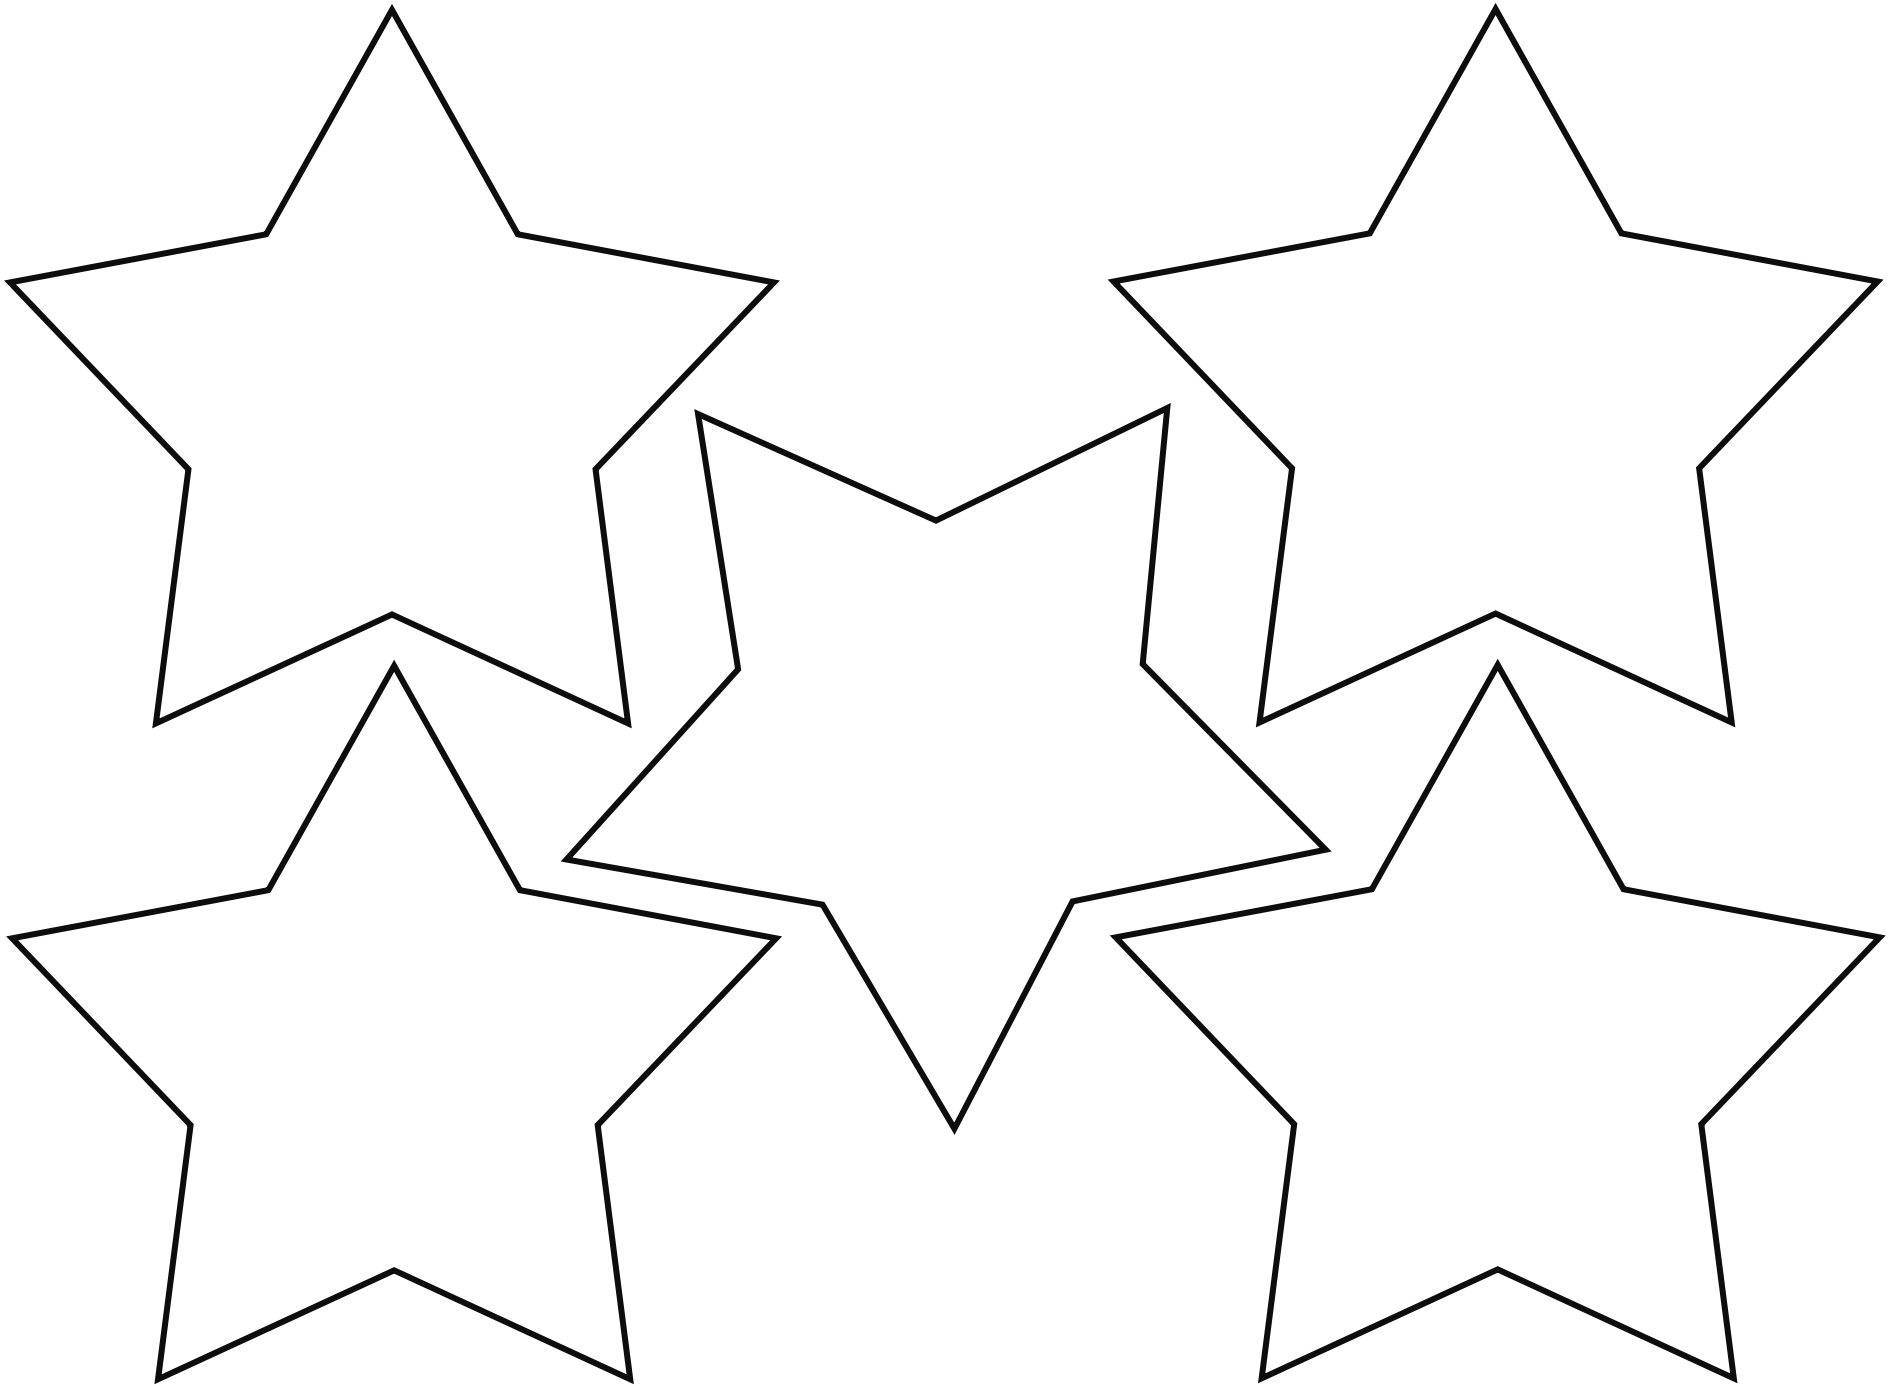

How to Play:

- Write Songs on the back of the Blue Stars. When a child picks a song, they'll help you lead with a fun wand the song under the star!
- The Red Stripes are trivia questions about America! I've included 14 options, choose your favorite page or mix-and-match until you have 7 questions you like! You might print them all and use harder ones for JR Primary and easier questions for Senior Primary.
- The White Stripes are easy challenges the kids can try. I've included 12 different challenges, but again you'll want to just include your 6 favorites for the game.
- I plan to cluster the stars on the left and the stripes alternating red and white on the right side of the board.

Trivia Question Answers:

- What is the National Bird? **Bald Eagle**
- How many Stars are on the US Flag? **50 – one for each of the 50 States.**
