

# Blown Out of the Water Program Review Game

This is a simple review game designed to fit this year's theme of Come, Follow Me when Christ calls on us to follow Him and be fishers of men. To tie in the theme, I'll ask the children what stories they have learned this year about Jesus that talked about fish or water.

## Stories of Jesus About Fish / Water:

- Calling the apostles to be "Fishers of Men"
- Blessing the bread and fish
- Telling the apostles where to cast their nets to catch a boat load of fish
- The apostles gave Jesus fish to eat when he was resurrected!
- Jesus walking on water
- Jesus calming the waves
- Being baptized in the Jordan river
- Christ talking to the Woman at the Well about living water

I'll then say yes, Jesus used parables and stories to teach us and show us how things might relate to us. I thought it would be fun to be our own fishers as we get ready for the Program. We'll use some fun common sayings to rate how well you know these songs. If you can "Blow me out of the water" with fantastic singing and knowing the words, you won't have to sing it when we finish up this review game next week!"

## Levels of Program Ready Singing:

1. Blown Out of the Water – Fantastic!
2. Smooth Sailing – Sounds good!
3. Something's Fishy – Still needs a little work / Not quite right
4. A Drop in the Ocean – Still a little ways to go.
5. Deep Water – Not at all ready for the program.
