

COME, FOLLOW ME

Suggested Four Year Singing Time List

This chart uses all of the songs across all 4 years of the Come, Follow Me rotation and organizes them by gospel topic to avoid repeats and evenly distribute all of the songs. Each song listed by song year is included on that year's song list already. There are 17 songs for each year when divided evenly. I recommend picking from the songs under each calendar year to get the most variety from year to year. You can also pick by gospel principle to help you focus your teaching efforts or look for additional songs to fit the themes from the Children's Songbook and Hymn book. This list is just intended to be a helpful starting point for picking your songs for the year. Use the Spirit and inspiration to pick the best songs for your Primary kids.
