

“Away in a Manger” – Guess What’s Next

How to Play “Guess What’s Next:

- Print out the lyrics to the song in short phrases. Choose a word from the phrase to replace with a blank. Cut the phrases into paper strips.
- Split the room into 2 teams. If you have a larger primary, you can choose more teams.
- Sing the entire song through once.
- Have a table set up with buzzers. Alternatively, you can have an object for the children to hold up when they have an answer.
- Invite one child from each team to come up to the front.
- Read one phrase, and let the children fill in the blank. Award points for the team who answers first.

Extension Ideas:

- Add another song or two to the mix!
- After guessing the missing word, sing the song again, clapping instead of singing on the missing word.
- Have one side of the room sing the phrase, and the other side sing the blanks.
