

# He Sent His Son – Finish the Sentence

## How to Play “Finish the Sentence”

- Print out the lyrics to “He Sent His Son” in short phrases. Omit the last word of each sentence and replace it with a blank. Cut these phrases into small strips of paper.
- Before primary, hide the strips of paper underneath primary chairs.
- Sing the first verse of "He Sent His Son" once through.
- Invite the children to reach under their chair to see if there is a surprise (This is often one of the best parts for kids!)
- Split the class into two teams.
- Have the kids bring up their papers one at a time. Senior primary kiddos can read their papers aloud to the class.
- After one phrase is read, invite one team to finish the sentence. If they guess correctly, they can earn a point. If they guess incorrectly, the other team can try to guess it correctly.
- Continue until all phrases of the verse have been read.

## Extension Ideas:

- After finishing the sentence, sing the song again, humming instead of singing on the missing word.
- If you have a larger primary, split the classroom into 3-4 groups instead of 2.
- After guessing all the blanks, race to put the phrases into the correct order on the board!
- Have one side of the class sing the phrase, and the other side of the class sing the missing word.

How could the Father tell the

Of Love and

He Sent His son a newborn

With peace, and

How could the Father show the

The pathway we should

He sent his son to walk with

On earth, that we may

How could the Father tell the

Of sacrifice, of

He sent his son to die for

And rise with living

What does the Father ask of

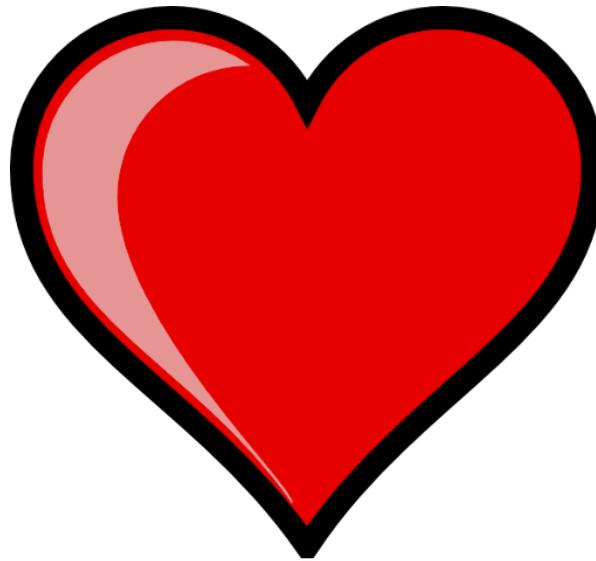

What do the scriptures

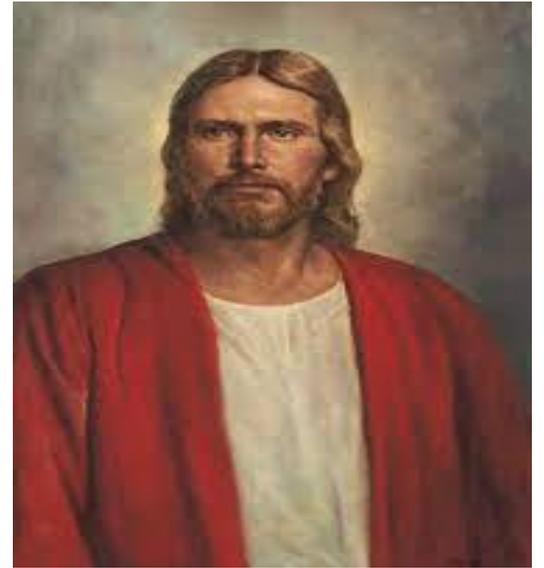

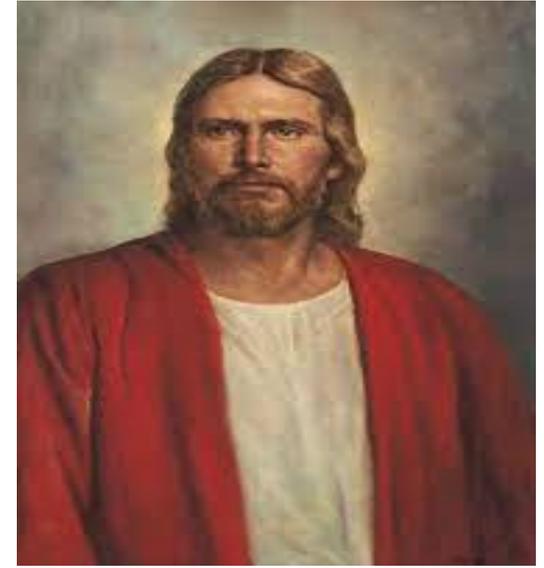

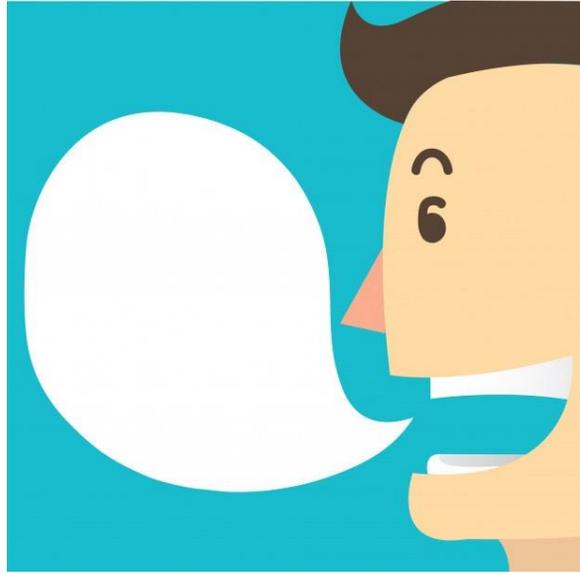

Have faith, have hope, live like His

Help others on their

What does he ask? Live like His
