*Song* Come, Follow Me Hymn

*Activity* Oops I Dropped the Pictures

Collect pictures that follow the song lyrics. Or use a flip chart. Hold them like you're getting ready to show them to the class, and make a dramatic scene of "dropping" the pictures! Have the kids help you put them back in order as you sing through the song! Kids stay up front holding the pictures in order as you sing!

Extension: Have a couple of the children turn around, skip singing those lines of the song! Then, pick a different combination of kids and skip sing again!

*Supplies*

*Song* Choose the Right Way

*Activity* Missing Word Activity

Use bells for the first verse, and rhythm sticks for the second verse. Let kids work as a team, and switch instruments after one time through.

After, have them hold the instruments really still and quiet. Tell the story of Elizabeth and Zachariah how they prayed for a child.

Sing through A Child's Prayer with instruments one last time!

*Notes*
