

# He Sent His Son – My 3 Friends

## Activity Instructions:

1. Invite 3 individuals to attend primary. Each of these individuals will represent either love, sacrifice, or peace.
2. At the beginning of singing time, have each person introduce themselves as their attribute using their short script.
3. Ask the children how Christ demonstrates each of these attributes.
4. You might also ask the children how they feel when they love others, sacrifice, or create peace.
5. After a short discussion, begin teaching He Sent His Son using this flipchart.

## Extension Ideas:

- Instead of having each member identify their characteristic, have them give the description and have the children guess what attribute they are!
- If you can't find any adults to come help with this activity, you can bring an item that represents each attribute instead. For example, you might bring in a framed picture of Christ to represent "sacrifice."

# My 3 Friends: Script

## **Love:**

"My name is Love. I am one of Heavenly Father's greatest tools on this earth. When people are near me, they feel warm and happy. I am the feeling you get when you give a great big hug. Some of my close friends are kindness and charity. I am love.

## **Sacrifice:**

"I am Sacrifice. Sometimes it is difficult to be me. I am often asked to set aside the things I want for things that Heavenly Father wants for me. When others are near me, they might feel overwhelmed or afraid, but ultimately they feel the love of Jesus Christ."

## **Peace:**

"My name is Peace. Many people desire to be near to me. You can feel closest to me when you are trying to avoid fighting with others. When you share your toys or make a new friend, you can feel me near. When Christ was on the earth, He was the perfect example of this."
