

Primary Sub Review Activity: Memory

Activity Instructions:

1. Choose 4-5 songs that you'd like to review. I like to have a mix of fun wiggle songs and review songs.
2. Print out two copies of pictures that represent each song. Tape the pictures to a half-sheet of colored 8x11 paper.
3. Use magnets to put the pictures on the board, pictures facing away from the kiddos. Make sure they are mixed up!
4. Invite children to turn over 2 cards. If the cards do not match, turn the cards back over.
5. If the cards match, have the children try to guess what song the picture goes to. Sing the song together!
6. Continue until all cards have been matched!

Extension Ideas:

- Turn it into a competition! Split the room into two groups and see which group can make more matches!
- Give each class a set of matching cards to match as a team.
- Have a teacher competition! Create 2 sets of memory cards and see which teacher can match all the cards first!
