

# Gethsemane

## What Comes Next

### How to Play:

- Sing through the song once first.
- Then, post the posters with the what comes next pattern. Each dot represents one word that the echo singers will sing.
- I plan to sing solo all the words typed out and have the kids fill in the missing words. You could also do this the other way around, if you're teaching the song.
- Next, we'll split the room and one half will be the words and the other half of the room will be the dots.

**Extension Activity:** For more repetition, if you have time, have the whole Primary room sing either the words only or the dots only.

**Challenge Round:** Have one child lead the what comes next activity. He can pause singing whenever he decides, and the echo singers will sing the next 2 or 3 words, whatever the Primary room decides before you start!
