

Firm and **steady** enough to
hold me, so I can **leap** free.
I know he will **catch** me.

I know I'm **safe**.
I feel great **strength**
in my Father's hands.

**Soft and humble, so if I stumble,
or when I struggle,
He'll help through
my troubles. I know**

**I'm loved through a gentle
touch in my Father's hands.**

True and **worthy** with pow'r to **bless**

me and full of **faith** he
will give me a **blessing**.

I feel **God's love**, straight

from **above**, and I know **He's**

real as **His will** is revealed

in my **Father's hands**.
