

Faith – Learn to Draw

How to Play:

Sing through Faith once before introducing this activity.

Ask the children, what was Faith compared to in that song? (A seed / plant / flower)

You're right! Do you know what a seed looks like? Let me draw a seed for you. Draw a seed on the whiteboard. Do you think you can draw a seed? Pass out paper and coloring utensils. Show the children simple steps for drawing a seed.

- Can you draw an oval? Just like this!
- Draw a line coming out of the top. This is the first little growth the seed is starting to sprout.
- Add two leaves by drawing two more ovals that come to a point.
- Now color in your seed and add some dirt if you'd like!
- Do you have a tiny seed worth of faith? Sing through the song together again.

What happens when you water the seed? What else does the seed need? Just like that seed, we need experiences to build our faith. Some ways to grow our faith include prayers, reading the scriptures and attending church! Let's draw our seed sprouting.

- Let's draw some bumpy dirt down at the bottom first.
- Now, draw one tall line growing up out of the dirt.
- Add leaves off the stem.
- Color in your sprouting plant and add any details you'd like.
- How is your faith growing and stretching right now? Sing through the song together.

Next, go through the same similar steps with talking about a flower and someday their testimonies will be as bright and beautiful as a full-grown flower. The heart represents the "swelling with my heart" and you can talk about ways to increase and growth faith. Have the kids draw along with you and sing through the song between each mini activity!

Extension Activities:

- Divide the Primary room into 4 groups. Assign one of the pictures to each group. Let them try to draw their shape, then they can come up to show off their pictures between each time singing through the song.
- Let the kids trace the shape cards below! Or, instead, you can have them ready to go and let them color in the pictures.
- Work on the posters together as a Primary. Show the example and let one child draw their own version or trace the example.
- Add a hand action to go with each time singing through the song.
