

I Will Walk With Jesus Dance Scarves

Activity Instructions:

1. At the beginning of primary, introduce the activity by reviewing the words to I Will Walk With Jesus using a flipchart.
2. Pass out scarves and demonstrate each of the 5 dance scarves actions, allowing the children to try the actions out a few times.
3. Display the pattern on the board using our Dance Movement Cards or by drawing out the actions.
4. Sing the first verse using the pattern, then ask the children if they'd like to add any actions!
5. Try out your new actions for the second verse and continue having fun while reviewing the song.

Extension Ideas:

- Have each class choose their own actions to use with the dance scarves. Have each class "perform" or teach the class their pattern while singing the song.
- Have the children come up with their own actions! Listen to their fun ideas and try a new pattern.
- Have children choose a partner and switch scarves after each verse. You could also have them move around the room to a different seat.

Dance Scarves Pattern
