

I Will Walk With Jesus Unscramble the Words

Activity Instructions:

- Start by writing or typing short phrases of I Will Walk With Jesus. Use these phrases to create word strips.
- Cut out your word strips and use magnets or tape to put them on the board.
- At the beginning of primary, review the words to the first verse by singing together as a class.
- Explain that the words to the song have been mixed up. As you sing, each class will have a turn to send a child up to place one strip back in order.
- Begin singing and invite a child to come up and find the first word strip.
- Continue singing and rearranging sentences until all the words are in the correct order!

Extension Ideas:

- Give each class their own set of word strips. While you sing, invite each class to unscramble the words as a team.
- Unscramble the Words Race! Create two sets of the word strips and split the board in half. Divide the room into two groups. As you sing, see which group can unscramble their set of words first!
- Divide up the set of word strips evenly between each class. Each class will be responsible for singing ONLY the word strips they have. Work together as a class to put all the word strips in the right order.

Jesus walked in wisdom

Jesus grew in truth

**He showed love to God and
man**

while in his youth

Jesus wants to guide me

Jesus shows the way

As I walk with Jesus

Calling me to come

and walk with Him each day.

to my home above

He will bless me with his spirit

And fill me with His love.

Change my heart forever

And help me clearly see.

I will walk with Jesus

And He will walk with me.

Jesus walked in wisdom

Jesus shows the way

He showed love to God and man while in his youth.

As I walk with Jesus

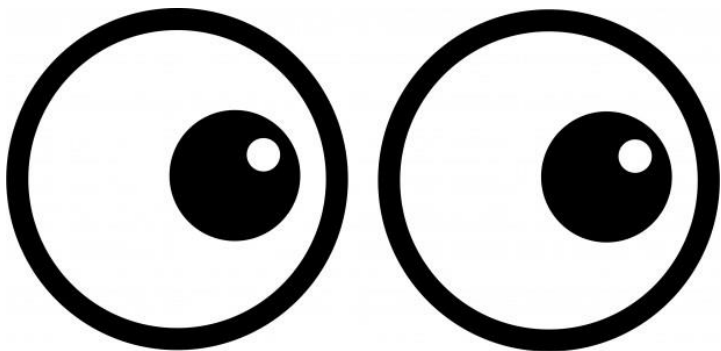

**He will bless me with his
spirit**

And He will walk with me

Change my heart forever
