

# I Will Walk With Jesus Walk the Path Activity

## Activity Instructions:

1. At the beginning of primary, start by reviewing the words to "I Will Walk With Jesus."
2. Then, introduce the activity by inviting the children to notice the footprints around the room. Explain that each footprint can help teach us how to walk with Jesus.
3. Each time you sing through a verse, invite a child to choose one of the footprints and read what it says.
4. You might choose to have a short discussion about each example or see if the children have any examples of their own!
5. Continue singing until you have chosen all the footprints and "finished your path."

## Extension Ideas:

- Take this activity outdoors! Set some footprints on the pavement and sing as you follow the path back to the primary room. Discuss different ways to follow Jesus Christ.
- Use this activity as a craft! Give each child their own footprint and invite them to draw or color something they can do to follow Jesus while they sing!
- On each footprint, write a different way to sing the song. Some examples might be to hum instead of sing, sing on your tip-toes, or group sing.
- Have the children use the footprints as a "treasure hunt." The footprints in the room could lead to a special prize or picture of Christ.
