

Follow the Prophet Word Swap

Activity Instructions:

1. At the beginning of primary, review Follow the Prophet by singing the chorus and a few verses.
2. Then, show one of the phrases and ask the children if that sounds right to them. See if they can think of the right word.
3. Place one phrase on the board at a time, along with the word bank.
4. Invite the children to work together to swap out the silly word for the word that fits best in the sentence.
5. Continue singing and swapping words until you have solved all the silly phrases!

Extension Ideas:

- Create 2-3 teams and give each team a set of silly word phrases. Have the children sit on the floor and replace the silly words with the correct lyrics. Have a contest to see which team can swap all the words and fix the sentences first!
- Choose the phrases that match the verse you are singing. While you sing that verse, invite children to come up and swap out the words.
- Hide the word bank! This might be a fun challenge for Senior primary kiddos. Invite them to solve the word phrases without seeing the word bank. If they need some help, you can let them peek at the word bank or ask a teacher.
