

# I Will Walk with Jesus – Footprint Words

## How to Play:

- Sing through I Will Walk with Jesus once, before introducing the activity.
- Put up the blank lyric word posters, and then scatter the footprints all around the rest of the white board. Scramble them up before you put them up on the board so you're not placing them up in order.
- Start to sing, and then pause, oh wait! We're missing something here! What comes next?
- Call up a child to find the correct word and add it to the poster.
- Start over from the beginning and sing through as far as you can adding additional footprints along the way. This will build in TONS of repetition and keep it engaging for the kids.
- **BONUS:** Can they find the title of the song in the footprints? (There are 2 extra footprints in the 1<sup>st</sup> verse and chorus footprints \*1 in the color version).

**Print Guide:** I don't really recommend using this activity for all 3 verses, but you can pick and choose the verses you need and add the chorus as well if you'd like. Use this guide to print the pages you'll need:

**\*Black and White** – Add 5 different colored pieces of printer paper then print with black ink.

**~Color** – Print on white paper and use colored ink to print pre-colored footprints

- **Verse 1:** Pages 2-6 and footprints 11-15 (\*black and white) or 16-18 (~color)
- **Verse 1 and Chorus:** Pages 2-10 and footprints 11-15 (\*black/white) or 16-20 (~color)
- **Chorus Only:** Pages 7-10 and footprints 11-15 (\*black and white) or 18-20 (~color)
- **Verse 2:** Pages 21-25 and footprints 26-30 (\*black and white) or 20, 31, 32 (~color)
- **Verse 3:** Pages 35-38 and footprints 26-30 (\*black and white) or 33-24 (~color)

## Extension Activities:

- Hide the footprints under the children's chairs and have the kids sitting in those chairs come up when they think they have the correct word!
- Play as a competition game where you take turns with which side of the room tries to guess the next word. If they get it wrong, the other side gets a chance to steal the point!
- Add a fun action to do whenever you get to a footprint, such as:
  - o Stomp
  - o Quickly stand and sit back down
  - o Take one step to the right (top foot) then one step to the left (bottom foot)
- When you've added all the footprints, skip singing the "feet" words. Now switch and ONLY sing the feet words. Split the room and have one side sing the poster and one sing the feet.
- Remove the feet and feed them to a "song monster" as the kids learn the words!
- Use page 39 or 40 to add extra words that don't belong to up the challenge.
