

Fathers – Testimony Sharing

Activity Instructions:

1. Begin by discussing different types of fathers. You might ask children to think of the fathers in their lives.
2. Share your testimony of fathers, including Heavenly Father.
3. Invite a few other teachers or ward members to share their testimonies of fathers.
4. As you introduce the song, “Fathers,” explain that you’ll be singing about 3 different types of fathers: Earthly fathers, ward fathers, and our Heavenly Father.
5. Begin teaching the first verse of Fathers.

Extension Ideas:

- After sharing your testimony, share a slideshow of pictures of fathers in your life. Share attributes that make them righteous fathers
- Share a music video of “Fathers.” As children listen to the song, invite them to identify what fathers we sing about in the song.
- Work together to make a list of attributes of earthly fathers, ward fathers, and Heavenly Father. Discuss these attributes and share your testimony of Heavenly Father.
