

Magic Potions Singing Time Game

How to Create Magic Potions:

- Supplies:

- Plastic Cups (clear is best!)
 - Water
 - White vinegar
 - Food Coloring
 - Baking Soda
- Fill your cups only about halfway full to give room for the fizz! Fill with 2 parts water to 1 part vinegar. That might look like 2/3 cup water and 1/3 vinegar.
 - Add a little bit of baking soda to your spoon, add 1-2 food coloring drops, then top off the spoon with baking soda so the color is disguised.
 - Put all your cups on a baking sheet lined with a towel to help contain any mess!

Using Magic Potions in Singing Time:

- Pick a child to come up and let them pick which spoon to try. Use the filled spoon to pour right into any one of the cups and stir and watch the magic happen!
- Have a color guide ready with each color assigned to a specific song or verse. Then, when red is revealed, sing through that pre-selected song.
- Continue working your way through your potions and singing a variety of songs or different verses!
- You can use our cute printable potion jars to write your song titles or a silly way to sing and provide a cute visual!

Extension Activities:

- Use magic potions to perfect a song or verse. When you master it, then let the kids try out one of your potions!
- Write out all the lyrics of your song in the potion colors you are using. After singing through the song, mix a potion and erase all the words in the matching color.
- Make 2 of each color you decide to make. When the kids make a match (the 2nd cup of a color) let them pick a silly way to sing or a choice of song to sing!
