

**The world's
smallest
shepherd,
they came
to behold, the
world's smallest shepherd
with the biggest of flocks.
And the world's smallest
shepherd would know
each by name. He would
rescue His lost sheep
and love each the same.**

Did the shepherds know

that the baby, asleep, was the world's

smallest shepherd, and they were His sheep? Did the shepherds know that the baby, asleep, was the world's smallest shepherd, and they were His sheep?

**The world's smallest
shepherd, His lambs
He would lead. In greenest
of pastures, His flock He
would feed. And the
world's smallest shepherd,
He someday
would give
His own life
as ransom so
His lambs
could live.**
