

**The world's smallest  
shepherd, they came to  
behold, the world's  
smallest shepherd with  
the biggest of flocks.**

**And the world's smallest  
shepherd would know  
each by name. He would  
rescue His lost sheep  
and love each the same.**

**Did the shepherds know  
that the baby, asleep,  
was the world's smallest  
shepherd, and they  
were His sheep?**

**The world's smallest  
shepherd, His lambs He  
would lead. In greenest  
of pastures, His flock  
He would feed.**

**And the world's smallest  
shepherd, He someday  
would give His own life  
as ransom so His  
lambs could live.**
