

**I know that my  
Redeemer lives,  
triumphant Savior,  
Son of God,  
victorious  
over pain  
and death,  
my King, my Leader,  
and my Lord.**

**He lives,**  
**my one**  
**sure rock**  
**of faith,**

**the one bright hope**  
**of men on earth, the**  
**beacon to a better**  
**way, the light beyond**  
**the veil of death.**

**Oh, give me thy **sweet**  
**Spirit** still,  
the **peace**  
that comes  
alone from  
thee, the**

**faith to walk the  
lonely road that leads  
to thine eternity.**
