

**I know that my
Redeemer lives,
triumphant Savior, Son of
God, victorious over pain
and death, my King, my
Leader, and my Lord.**

**He lives, my one sure
rock of faith, the one
bright hope of men on
earth, the beacon to a
better way, the light
beyond the veil of death.**

**Oh, give me thy sweet
Spirit still, the peace that
comes alone from thee,
the faith to walk the
lonely road that leads
to thine eternity.**
