

**I know that my  
Redeemer lives,  
triumphant Savior, Son of  
God, victorious over pain  
and death, my King, my  
Leader, and my Lord.**

**He lives, my one sure  
rock of faith, the one  
bright hope of men on  
earth, the beacon to a  
better way, the light  
beyond the veil of death.**

**Oh, give me thy **sweet**  
**Spirit** still, the **peace**  
that comes alone from  
thee, the **faith to walk**  
the **lonely road** that  
leads to **thine eternity.****
