

When We Seek Him Line Matching Activity

How to Play:

1. Review When We Seek Him by starting with the first verse and chorus. If the kids are confident with the first verse, try singing the second verse too!
2. Then, ask the children if they're up for a challenge.
3. Put one of the line matching posters on the board – I recommend starting with the first verse.
4. Sing through the first verse. This time, invite the kids to pay attention to the order of the lyrics.
5. Then, see if they can match the first half of the first phrase with its corresponding second half. Once you match two lines, sing through the verse again!
6. Once you have all the phrases matched for the first verse, move on to the chorus!
7. Continue singing until you complete ALL the line matching posters! Sing through the entire song one more time.

Extension Activities:

- Cut out each of the phrases beforehand. Put the phrases in an envelope labelled with “Verse 1,” “Chorus,” etc. During primary, give each class one of the envelopes. Have each class work together to match the phrases for their assigned section. Then, have them switch with another group! Rotate envelopes until each group has tried each one. Sing through When We Seek Him each time you switch.
- Learn more about the wiseman from the story, “We Three Kings” in the 2009 New Era. As you share about the three wisemen and how we can be like them, sing through the song.
- Make it a “gameshow!” Grab some fun buzzers and have kids face off to see who can correctly finish the phrase. You can find out more about this type of activity in this fun Guess What’s Next primary game.
