How to Play:

1. At the beginning of singing time, ask the children what holiday is coming up soon (Mother's Day)! Tell the kids that you'll be learning a Mother's Day song about grandmothers.
2. Then, post the first song picture on the board. Sing the first phrase of the song, "You give me a kiss."
3. Post the next song picture and sing the next phrase of the song. Have the kids repeat the words after you.
4. After singing 2-3 lines, have the kids sing the lines together. I have found that chunking the song into smaller phrases helps the kids to remember the song!
5. Continue singing through the song a few phrases at a time. Introduce each picture as you sing the line.
6. Then, sing through the entire song using the song pictures! Invite a volunteer to come up and point to the pictures as you sing through the song. This is a really fun way to get the kids involved in singing time!

Extension Activities:

- Mix up the pictures on the board at the beginning of primary! Write each phrase of the song on the board as well. Have the children match the phrase to the picture!
- If using this activity as a review, write a different way to sing the song on the back of each picture. As the kids choose a picture, sing the song in the way the picture indicates!
- For a fun review idea, play the "Dropped the Pictures" game in primary! Mix up all the pictures before singing time. At the beginning of primary, "accidentally" drop all the pictures on the ground and have the kids work together to rearrange the pictures in the correct order.
