

**I know a name, a glorious  
name, dearer than any  
other. Listen, I'll whisper  
the name to you: it is the  
name of mother. Mother, so  
tender and kind and true,  
I love you, I love you.**

**I know a name, a glorious  
name, dearer than any  
other. Listen, I'll whisper  
the name to you: it is the  
name of father. Father,  
so noble and brave and  
true, I love you, I love you.**
