When We're Helping Song Story

Oliver was so excited when his mom came home with his new baby brother. The baby was just so tiny, so soft, and he loved to take turns holding him.

Oliver had waited a long time for a sibling and now that his brother was here, he was determined to be a big helper around the house.

Sing Together: When we're helping, we're happy

When it was time for baby brother to take a nap, Oliver and mom got right to work tidying up the house. First, he helped pick up his toys. Next, it was time to use the dustpan – his favorite job. And then, Oliver got to help put away some of the dishes.

His mom always made it so fun to work together. She turned on some fun music and the two of them would sing and dance in the kitchen while they worked.

Sing Together: And we sing as we go

Mom made sure to make time just for Oliver too. After cleaning up they snuggled on the couch and read a book together.

Oliver turned to his mom and told her that she was the BEST mom! Mom snuggled right up to him and kissed Oliver on the nose. Thank you for being my helper today.

Sing Together: And we like to help mother

It wasn't long before baby brother woke up crying. Oliver asked if he could play with his brother. He showed his new brother his cars and his favorite stuffed animals. He even helped bring mom the baby wipes when it was time for a diaper change. Who knew taking care of a baby would be so much work!

When dad got home after a long day of work, he listened patiently as Oliver told him all about their busy day. Dad rustled Oliver's hair and said "I knew you would be a big help for mom today! I can tell by how hard you worked that you love your mom just as much your baby brother and I do."

Sing Together: For we all love her so
