

The angels echoed through the sky the night that Jesus was born to tell the world the Lord has come- Born to bring us joy!

The shepherds, hearing their song that night, came running from Bethlehem's hills to kneel before the baby boy- Born to bring us joy!

Singing joy! Joy!
Joy to the world!
For Jesus our Savior
is born! Joy! Joy!
Joy to the world! He is
born to bring us joy!

A bright **new star** lit up the sky
the **night** that Jesus was **born**
to **tell the world** the **Lord has**
come- Born to **bring us joy!**

The **wisemen**, seeing
the **star** that night,
came **running** from faraway
lands to **kneel** before the **baby**
boy- Born to **bring us joy!**

Like the **angels** and the **star** that testified that **night**, I will **sing** and I will **shine** so all can **come to Christ!**

Joy! Joy to the world! For **Jesus** our **Savior** is born! **Joy! Joy!**
Joy to the world! He is born to bring us... **Joy to the world!**
He is born to **bring us joy!**
