**Have I done any **good**  
in the **world** today?**

**Have I helped anyone**

**in **need**? Have I **cheered** up the sad  
and made someone feel **glad**?**

**If not, I have **failed** indeed.**

Has anyone's **burden** been  
**lighter** today because I  
was willing to **share**?

Have the **sick** and the **wearry**  
been helped on their way? When  
they **needed my help** was I there?

Then **wake up** and do something more than dream of your **mansion** above. Doing good is a **pleasure**, a joy beyond measure, a **blessing** of **duty** and **love**.

There are **chances** for **work** all around just now, **opportunities** right in our way. Do not let them **pass** **by**, saying, “Sometime **I’ll try**,” but **go and do** something today.

'Tis **noble** of man to  
**work** and to **give**; Love's  
labor has merit alone.

Only he who does  
something **helps others** to live. To  
**God** each **good work** will be known.
