**Ev'ry star is diff'rent, and
so is ev'ry child. Some are
bright and happy, and some
are meek and mild. Ev'ry
one is needed for just what
he can do. You're the only
person who ever can be you.**

**A shining star, shining
brightly, not so very far,
shining brightly; Be a
shining star. Shine so
brightly; shine right
where you are, brightly!**

**I can shine for others
and let them feel my love,
follow the commandments
that come from God above.**

**I can help another to
learn to choose the right.
Having faith and courage
will let my star shine bright.**
