**How was the sun placed
at the right
distance to
share both
its warmth
and its light.
Growing
seeds under ground
meant food could be
found and earth would
support human life.**

So all together the
day and the **night** in
great orchestration

He
created
life.

All
things **work together**
to do as they should.

Is it any **wonder?**

God, Called it **Good!**

**Each living thing,
was carefully **planned**
for, the **creatures** on**

**land
and
the
sea.**

But on the **sixth day
the **greatest** was
made in His image
both **Adam** and **Eve!****

Sometimes we **ask** for
signs God exists but if
we **look** closer we'll see

the eye seeing **sights**
like **birds** taking
flight are the **MOST**
miraculous things!
