God's Love Match His Blessings

How to Play:

- Take a deeper dive into the scripture stories shared in this sweet Old Testament primary song for a fun way to review!
- For this activity, I've created simple matching cards. Each set of cards has one card with the name of a person in the scriptures and a card with a blessing they received from God as described in the song.
- Your job will be to correctly match each set of cards as you review this song in primary! Are you up for the challenge?
- You'll want to do a little bit of prep work beforehand and cut out all the matching cards. Scramble them up and use magnets or tape to arrange them in a grid.
- Start by singing through God's Love once before introducing this activity. Then, explain that this song teaches us how Heavenly Father blessed each one of the people in this song with something unique. Let's see if we can match each name to the right blessing.
- Pick a volunteer to come up and turn over two cards. Read both cards. Do they match? Hint: If you print in color, each set will also be highlighted the same color.
- If the name and blessing match, take away the match. If not, pick a new helper to turn over two more cards.
- For lots of song practice, pause after every match to sing through the song again. Finish with your testimony.

Extension Activities:

- Use the Gospel Art kit to show pictures of each scripture story to add a visual element.
- Each time someone makes a match, have them keep the name card. Then, when you sing their name in the song, have the child jump up and shout the name while holding up the card.
- Focus on just one verse and print out only the cards needed for the verse you choose to practice.
- Choose a fun way to sing each time you complete a card set. Write silly actions on strips of paper and pull one out when you make a match!
