**In the first verse of the
Bible, we read these
wondrous words, "In
the beginning,
God created
the heaven
and the earth." Every
time we look around
us, we can see His love
displayed in every
single thing He made.**

He made the **night** and
day, the sun and the
rain, the **mountains**
and the morning dew.

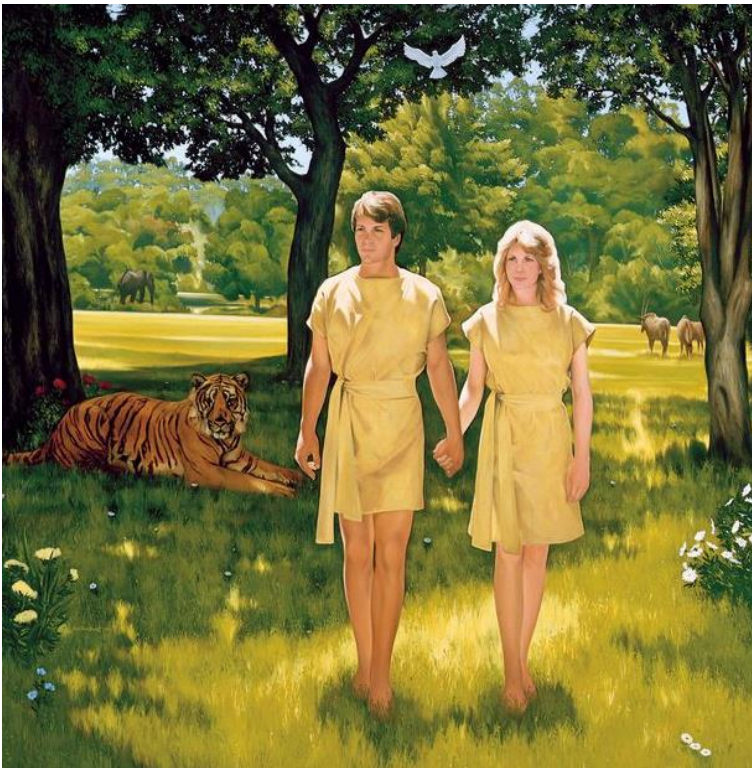

He made the **rivers**

that flow,
and the
flowers that
grow, the
fireflies and
fishes too.

Oh, all the **fruit** on the
trees, every **color** you
see, the hawks, and
the hippos and the
honeybees. And last
but not least, He made

**Adam and
Eve**, and
then the
world was
complete!

**Every seed and stone
and **season** show more
of **God's design**.**

**Stunning views and
sweeping valleys He
made with us in mind.
We can smell the **grass**
beneath us. We
can hear the
birds above.**

**In all these
things we feel **His love**.**
