The Creation Rebus Puzzle

How to Play:

- Have some fun teaching this Old Testament song using these rebus puzzle pictures! This is a great way to add a visual element and appeal to your logical thinkers as you teach this song.
- We're going to learn a brand-new song today! I brought some pictures to help us. Can anyone tell me what they see in this picture? The #1? A book? The word, "Verse?" The first line of this song goes, "In the first verse of the Bible."
- Let's look at the next picture. There are so many words! Can someone tell me which word is the biggest? "We read these wondrous words."
- Continue introducing the verse one line at a time. This song teaches us about some of the wonderful things Heavenly Father created. Let's see if we can guess what some of those things are.
- Show the first pictures for the chorus and take a few guesses for what the pictures might represent. Awesome!
- Teaching the song in small chunks makes it so much more doable for the kids! As they continue learning this song, they may even recall these visuals to remember the words.

Extension Activities:

- Cut out the rebus puzzle pages in half and mix them up on the board. Can you put all the phrases in the correct order?
- For a fun review idea, divide the rebus puzzles amongst each class. Have each class work together to solve for their song phrase. Then, listen for their phrases and take turns singing.
- Tape the picture puzzles underneath the chairs ahead of time. At the beginning of singing time, have each child look under their seat and see if they can solve their puzzle.
- Choose a few picture cards to turn over at a time. Can you remember the lyrics without the picture?
